

We invite you to participate in the International Scientific and Practical Conference "**50<sup>TH</sup> ANNIVERSARY OF THE WORLD HERITAGE: LESSONS FROM THE PAST, TODAY'S CHALLENGES AND FUTURE OUTLOOK**", dedicated to the 50th anniversary of the adoption of the Convention "On the Protection of Cultural and Natural Heritage" (November 16, 1972) .

The event is organized by the Yuriy Fedkovich Chernivtsi National University with the support of the Ministry of Culture and Information Policy of Ukraine, the Ministry of Education and Science of Ukraine, the National Commission for UNESCO and the Ukrainian National Committee of ICOMOS.

Based on the results of the Conference, we are planning to publish the Conference Proceedings and articles in the Scientific Journal of ChNU "Historical and Political Problems of the Modern World", which is included in the list of professional publications of Ukraine.

The objective of the Conference is an interdisciplinary discussion of key problems of cultural heritage protection at the national and international levels, the influence and result of the implementation of the Convention frameworks over the past 50 years, and the potential of the effectiveness of the Convention's norms in the conditions of today's global challenges. The key area of the Conference is a critical assessment of the state of cultural heritage of Ukraine under conditions of russian aggression, the ways of implementing the programs of restoration, renovation, conservation and other instruments for the protection and preservation of the Ukrainian heritage. The future of Ukrainian architecture after the victory in the war with Russia deserves special attention. We intend to discuss all the challenges and factors of our time that affect cultural monuments around the world.

The Conference will be held in the format of online presentations and discussions. We invite scientists and students of universities of Ukraine, Romania, Poland, Great Britain, Italy, Germany, etc. (specialties: architecture, construction, history, political science, etc.).

Conference language: English, Ukrainian. For Ukrainian scientists, simultaneous translation into English will be available during the speech (by prior agreement).

Please confirm your participation in the Conference by November 15, 2022 by filling in the Google form:
